## 34TH WESTERN REGION DIRECTOR

Greetings Brothers of the Mighty Western Region!

I am pleased to welcome you to the beautiful city of San Diego, CA, for our 2022 Western Regional Conference (WRC)! It is with great joy that we extend this official invitation. The WRC will take place on Thursday, May 26th through Sunday, May, 29th in person at the Best Western Plus Hacienda Hotel Old Town and virtually on our Regional Zoom platform. This has been a long time coming seeing that we are still in the fight as it relates to the COVID-19 Pandemic. As a result, we have been restricted to being solely on Zoom for our meetings. Still, through it all, we have remained consistent and effective in serving our communities and uplifting the principles of Sigma. Registration for this exciting event is open and available via our Regional storefront, Indigo Apparel, we encourage you to register yourself today!

I would like to personally thank the local chapters Lambda Iota Sigma, Omicron Iota Sigma, and Lambda Iota for hosting our Regional Conference. The Brothers have taken the time to provide a detailed list of sites and venues where we can fellowship together and further our bond. Your Regional Leadership Team has heard your feedback regarding the desire of wanting to enjoy the cities we gather in for the business of Sigma. The agenda is fluid for Brothers to see and enjoy the city of San Diego and engage in the community and brotherly bonding events, explore the city, taste the various cuisines, and most importantly, handle the business of the Region.

Please keep in mind that all of our efforts are only viable with continued support from the Brotherhood. We all are working men, whether as entrepreneurs, corporate professionals, actively engaged fathers, with much on our plate, yet we balance our lives and our Love for the Brotherhood at the same time. I want to commend each of you for your commitment to excellence every day you step out of bed and prepare to take on the world.

Fraternally,

Bro. Kedric Nalls  
Gold Life Member #3334LM  
34th Western Regional Director

## 1ST VICE DIRECTOR

Greetings brothers of the Wild Wild West,

I pray that each one of you are looking forward to our time together at our 65th annual Western Regional Conference in San Diego. Whether you are in person or virtual we will fill our conference with positive energy, elect our leadership, and fellowship with one another. This will be our first hybrid conference as a region but no matter what the circumstance sigma men will make its footprint in the city, handle our business and spread the blue and white throughout San Diego.

As your 1st Vice-President I am excited to fellowship with all my brothers and share some exciting news about our 2021/2022 membership numbers and the future growth of the Wild Wild Western Region. We will continue to build this region not only in our numbers but our brotherhood being second to none in Phi Beta Sigma Fraternity Inc. ## 2ND VICE DIRECTOR

Welcome brothers of the Western Region to our 67th Annual Regional Conference in the beautiful city of San Diego, CA. It is truly an honor to serve as your current Western Regional 2nd Vice Director. I just want to take a moment to thank the sponsoring chapters for all the work and planning put into this weekend, to ensure an experience you shall not soon forget. I would also like to thank our sponsors and guest, for taking a moment out of their lives to share in the festivities. Lastly, I want to thank you brothers, for continuing to exemplify our fraternity's principles and motto and serving as representatives for your chapter.

As we come together, I am always reminded of what it means to be around like minded individuals that continue to serve and positively impact our community on a day to day basis. I am reminded that no matter what, "I will herald and defend this organization, even against the world". I am always reminded, that when I hear someone scream, "Blu Phi!!!", our call to action is swift and with great promise. As I close out my term and look towards the future of the Western Region, I see nothing, but promising young Brothers. I see the promise of future leaders, allowing our cause to speed on. I see brothers of young and old, standing side by side, standing before the test of time and making one thing clear: "Sigma, more than a fraternity, we are the standard by which all others are measured."

## REGIONAL ORIGIN

The establishment of the Western Region of Phi Beta Sigma Fraternity, Inc., initially created soon after Bro. Herbert L. Stevens was initiated into our wondrous band. Bro. Herbert L. Stevens moved to the State of Texas. There, he continued "Our Cause" at Wiley College by chartering the Beta Chapter. Thus the first imprint of Sigma outside of the area of Washington D.C. was created in Texas, which would become known as the Western Region. Texas was later separated from the Western Region and became the "Lone Star" Region of Phi Beta Sigma Fraternity, Inc.

Twenty two years later the Western Region as we know it today was started on February 15, 1937, when Bro. William Perry directed a letter to Bro. Jessie W. Lewis, who was Dean of Terrell Law School at the time, requesting information for the chartering of a chapter in Los Angeles, CA. At this time, there were no chapters west of Texas. The movement gained impetus through the form of Bro. Hugh Fisher Lewis, who was Vice President of the Northern District. After careful selection, Bros. Lewis, Perry, Johnson, and Hill invited eleven other men to join as charter members: Bros. Fred Baker, George Beavers, Edgar Brown, Cecil Davis, Aaron Douglass, Dee Hodge, William Nickerson, Jr., Granville Norman, E. M. Porter, Clarence Smith, and Oscar Stokes.

The officers elected to serve the new chapter were: Bro. William Perry, President; Bro. Clarence Smith, Vice-President; Bro. Dee Hodge, Secretary; Bro. Everette M. Porter, Treasurer. Bro. James Weldon Johnson, celebrated poet, author, and professor of creative literature, was the National President at the time of the chartering of the chapter. He wrote a letter to Bro. Perry congratulating him for his efforts in chartering a Sigma chapter west of the state Texas.

Today the Western Region led by our 33rd Regional Director, Bro. Mark Armstrong, has blossomed into the largest region in the fraternity and encompassing the states of AK, AZ, CA, CO, HI, ID, MT, NV, ND, OR, SD, UT, WA, WY and the countries of Japan, S. Korea, Kuwait, and the United Arab Emirates. We exist as consortium of positive and professional military and civilian men determined to continue our rich and historic legacy of providing the best in service through our programmatic thrusts of Bigger and Better Business, Education, Social Action, and the Sigma Beta Club. Dedicated to the principles of Brotherhood, Scholarship, and Service, it is our desire to provide the communities within our Region with impactful and meaningful service.

## AIRPORT & HOTEL TRANSPORTATION

San Diego International Airport (IATA: SAN, ICAO: KSAN, FAA LID: SAN), formerly known as Lindbergh Field, is an international airport three miles (4.8 km) northwest of Downtown San Diego, California, United States. It is owned and operated by the San Diego County Regional Airport Authority. The airport covers 663 acres (268 ha) of land. While primarily serving domestic traffic, San Diego has nonstop international flights to destinations in Canada, Germany, Japan, Mexico, Switzerland, and the United Kingdom.

San Diego International Airport is the busiest single-runway airport in the world. The airport's landing approach is well known for its close proximity to the skyscrapers of Downtown San Diego, and can sometimes prove difficult to pilots for the relatively short usable landing area, steep descent angle over the crest of Bankers Hill, and shifting wind currents just before landing. San Diego International operates in controlled airspace served by the Southern California TRACON, which is some of the busiest airspace in the world.

The airport has one runway, designated 09/27 for its magnetic headings of 095 degrees (106 True) and 275 degrees (286 True). The runway, built of asphalt and concrete, measures 9,400 by 200 feet (2,865 m × 61 m).
